

Hertford Town Council Response to Regulation 16 Comments, Sele Neighbourhood Area Plan 2018 - 2033

S-008 HCC – Comments of Hertfordshire County Council

With regard to HCC's comment on as yet unknown archaeological remains, their comment has been taken on board in amending a similar policy in the Much Hadham Neighbourhood Plan. This could include adding a paragraph into Policy HSHE8 to read:

"III. Other above ground non-designated heritage assets not identified in Criterion II. and as yet unknown buried heritage assets of archaeological interest may also be given due regard for the purposes of District Policy HA2 Non-Designated Heritage Assets and Policy HA3 Archaeology."

S-011 Historic England

We will update the unfortunate map text to say 'Historic England' as requested.
