

List of Queens Jubilee funded events 2022

Introduction

This form provides a written record of decisions relating to grant giving during the spring 2022/23 financial year. The authorising officer was Nick Phipps, Community Wellbeing and Partnerships Service Manager, in consultation with Cllr Jonathan Kaye, Executive Member for Communities. These applications are recommended funding because they take forward the council's priorities for Queen's Jubilee funding and leave a lasting legacy.

Applications have been through our due diligence checks, assessed in terms of benefit and have been discussed and agreed by the Grants Panel.

Applications were considered and decision made on the 5 and 6 May 2022. The grant is given for events on or near the Queen's Jubilee Bank Holiday weekend.
