Guidance notes on applying for an Animal Activity Licence

Guidance Note 1 – Application process

The steps involved in the application process are set out below. Wherever possible, we aim to complete the application process within 10 weeks of receiving the application.

1. The applicant submits their application form and the relevant application fee to the local authority.
2. A suitably qualified inspector will arrange to visit the relevant premises and carry out an inspection to establish if a licence can be granted and what star rating will apply to the premises concerned (the length of licence to be issued will depend on the star rating awarded by the inspector).
3. The applicant is informed of the outcome of the inspection, the star rating that will apply and the length of licence that they have been deemed eligible for.
4. The applicant pays the relevant licence fee for the length of licence they have qualified for along with any invoice relating to vet inspection fees (if applicable)
5. Once the licence fee and any applicable vet inspection fees have been received, the licence will be issued for the relevant period of time.

A table of licence fees and more detailed guidance on these is also enclosed

Guidance Note 2 – Persons who may not apply for a licence

Guidance Note 3 – Star rating and length of licences

The regulations and associated guidance introduce a risk-based system that must be used when issuing animal activities licences under the regulations, with the exception of “Keeping or Training Animals for Exhibition” where all licences are issued for three years.

The purpose is to ensure consistency in implementation and operation of the licensing system by local authorities, and to ensure that consumers can be confident that the star rating applied to businesses is an accurate reflection of both their risk level and the animal welfare standards that they adopt. The scoring matrix is shown below:

Scoring Matrix		Welfare Standards		
		Minor Failings (existing business that are failing to meet minimum standards)	Minimum Standards (as laid down in the schedules and guidance)	Higher Standards (as laid down in the guidance)
Risk	Low Risk	1 Star 1yr licence Min 1 unannounced visit within 12 month period	3 Star 2yr licence Min 1 unannounced visit within 24 month period	5 Star 3yr licence Min 1 unannounced visit within 36 month period
	Higher Risk	1 Star 1yr licence Min 1 unannounced visit within 12 month period	2 Star 1yr licence Min 1 unannounced visit within 12 month period	4 Star 2yr licence Min 1 unannounced visit within 24 month period

Further detailed information on the risk-based system and the standards that are required to be met can be found online here: www.eastherts.gov.uk/animallicences

Guidance Note 4 – Appeals against star ratings and requests for re-inspections

There is an appeal process if you are not satisfied with the star rating your business is awarded. Further details of the appeal process are available on request. Please email environmental.health@eastherts.gov.uk if you wish to receive further information.

If a business takes steps to improve the welfare standards it adopts and wishes to apply for a re-inspection in an attempt to achieve a higher star rating, this is also possible. You will need to make a request for a re-inspection in writing outlining the case for re-inspection. This written request should indicate the actions that have been taken by the business to improve the level of compliance or welfare since the inspection and, where appropriate, should include supporting evidence. Those requesting a re-inspection will also need to pay the relevant inspection fee.

Guidance Note 5 – Refusal of licences

If the applicant is failing to meet the required standards to enable a licence to be granted, we will work with them to explain the issues and assist them in meeting the standards. However if the required minimum standards are not subsequently met then the application will have to be refused. If an application for a licence is refused, the applicant has the right to appeal against the decision to the First-Tier Tribunal.
