

Ware Neighbourhood Plan

East Herts Council's response to Independent Examiner's Clarification note

12th May 2023

Question for the District Council:

What is the anticipated timetable for the determination of the current planning application (3/22/2406/FUL) relating to land to the north and east of Ware (WARE2)?

The Council expects to determine the 'WARE2' planning application in July or August 2023, although given the scale of the application this timescale could be subject to change.
