Dear Laura,
Thanks for your e mail.
The proposed extended timescale for the response to the clarification note is fine with me.

Kind regards

Hi Andrew,

It was nice to speak to you yesterday. I have added your clarification note to the website and we have amended the consultation response document to make it clear rep SASM35 is from Virgin Media and SASM45 is from Thames Water.

Regarding your questions, the Parish Councils have asked if they could postpone the response deadline until the 21 July because they have people on holiday between now and 6 July. Is that ok?

Kind regards
Laura

Subject: [External] Stanstead Abbots and St Margarets NDP - Clarification Note

Dear Laura

I trust you are well.

Further to my recent visit to the neighbourhood area, I attach a clarification note. Please will you send it to the parish councils.

I have suggested an indicative response date which reflects the issues raised in the Note. However, I am relaxed at working to a different timetable if this raises specific issues for the parish councils.

In the interests of openness and transparency, I would be grateful if you would make the Note and the responses available on your website.

Please let me know if there are any queries on the matters raised in the Note.

I will press on with writing up those elements of the report which are unaffected by the Clarification Note.

Kind regards,

Andrew Ashcroft
