Villages 1 – 6 Update

- Strategic Landscape Masterplan was submitted to EHDC earlier this year.
- Village 1 Masterplan about to be submitted
- Due to the need to create the Strategic Transport Corridor (STC) route from Village 1 to Village 7, masterplanning work on Villages 5 & 6 has begun – more information on this to follow.
- Central Stort Crossing enabling works started in March. Main contractor about to be appointed with works scheduled to start on site early in the new year.
- If anybody would like to get involved with the masterplanning process, please email gilston@meeting-place.uk and we will be in touch nearer the time with further details.

Tree Guard Removal Volunteering Day

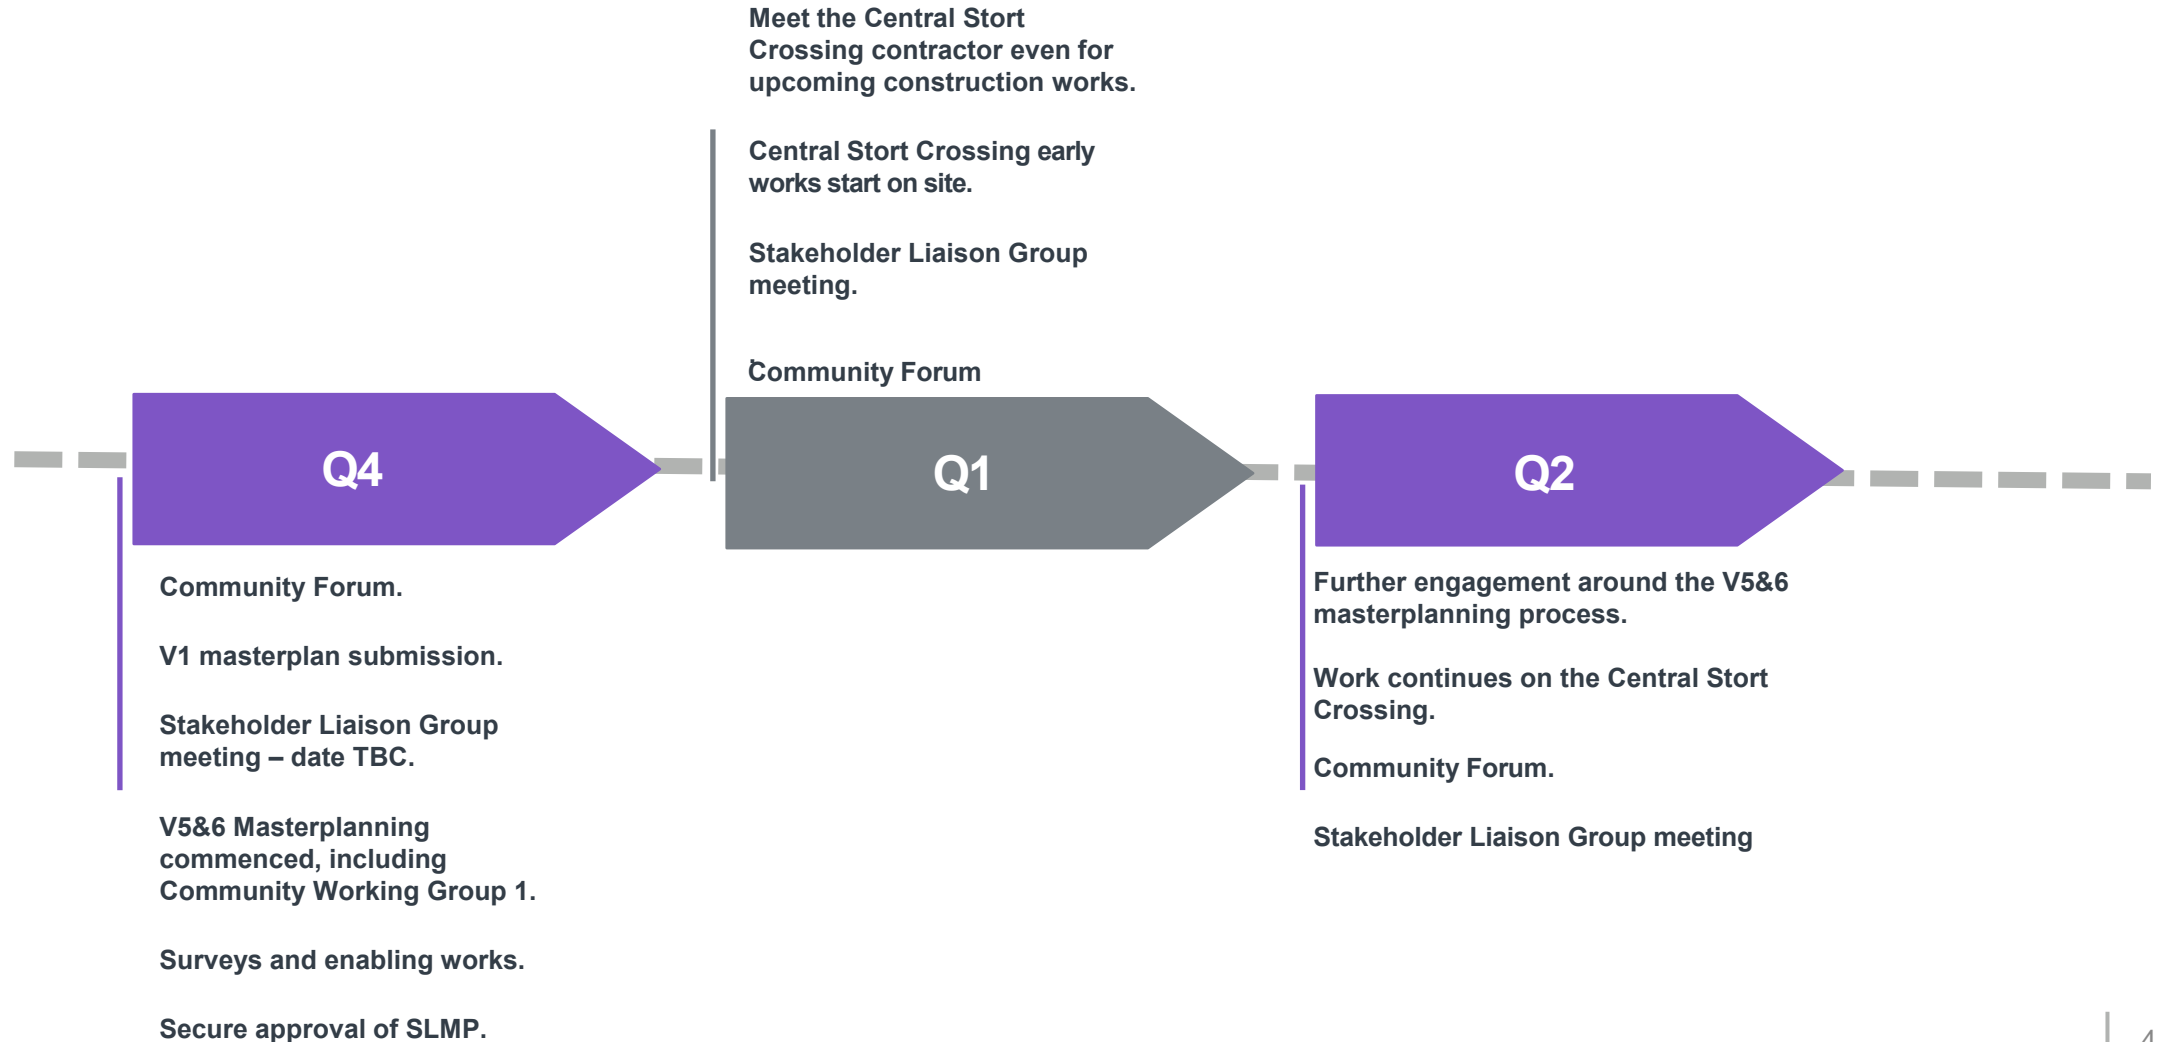

- In early June and September, colleagues from Places for People, Knight Frank and Meeting Place helped remove outdated tree guards that were originally installed by the site's previous landowners over 20 years ago.
- Some of the plastic guards, which will now be taken away for recycling, had become dislodged and scattered across the landscape, particularly near public rights of way. In total, the volunteers collected enough guards to fill twenty tonne bags.
