Subject: [External] FW: Planning Application Consultation 3/24/0966/OUT

Good morning,

Thank you for consulting Thames Water on this planning application. Having reviewed the details, we have no comments to make at this time as there are no updated drainage documents available online the comments issued previously remains the same till the drainage details are available. The supplementary comments provides more details on what is required in the strategy to make that assessment.

Should the details of the application change, we would welcome the opportunity to be re-consulted.

Many Thanks

Kind Regards
