The Resident

12 February 2018

Dear Resident

**THE EAST HERTFORDSHIRE DISTRICT COUNCIL (PARKING ZONE B7, BISHOP'S STORTFORD) (TOWN CENTRE BUSINESS PERMIT) ORDER 2017**

**THE EAST HERTFORDSHIRE DISTRICT COUNCIL (VARIOUS ROADS BISHOP'S STORTFORD, WARE AND HERTFORD) (RESTRICTION OF WAITING) ORDER 2017**

I write regarding the Council's proposal to introduce a limited number of business season tickets in the 'Chantry' Resident Permit Zone.

The first round of formal consultation drew 115 objections including a 68 signature petition. The Council acceded to a number of these objections and as a result the proposals were modified. A second round of formal consultation drew 47 objections.

Following careful consideration these 47 objections have been overruled and this decision was endorsed by the East Herts Executive on 6 February 2018. A record of the 6 February Executive may be viewed under the 'Your Council' area of the East Herts website – [www.eastherts.gov.uk](http://www.eastherts.gov.uk)

If you were one of the 47 objectors this letter constitutes formal notification that your objection has been overruled, as required by the Local Authorities' Traffic Orders (Procedure) (England and Wales) Regulations 1996. The reason for this decision is detailed in the report to the 6 February Executive.

The next stage in the process includes the making of the Traffic Regulation Order and the introduction on street of the requisite signs and lines. We anticipate undertaking this work in April this year with business permit parking to be introduced from April.

In line with the Council's standing commitment in respect of its Resident Permit Zones a formal review of the new scheme will be undertaken six months after implementation. All comments received at this time will be carefully reviewed to ensure the needs of residents and others continue to be met.

Yours faithfully

A handwritten signature in blue ink that reads 'D. Kingsbury'.
