**ONE OF A SERIES OF WALKS
IN & AROUND
SAWBRIDGEWORTH**

From Bell Street Car Park turn right into Bell Street, go to the end and cross over into Church Walk, head towards Great St Mary's church, at the entrance to the churchyard bear left and follow the footpath out of the churchyard and along the shaded twitchell. At the end of the twitchell turn left into the Forebury. Continue up the Forebury until you reach Knight St, turn right crossing over Station Rd at the pedestrian lights. Turn right then left into Bullfields, keep going along Bullfields, past the school on your right and Bullfields playing area on your left. Eventually you will reach a footpath on your left at the top of the hill (house No.59), go through the alley and cross the main road, Cambridge Road, at the pedestrian lights. Turn left once across the road passed the School and swimming pool and turn right into a narrow footpath which follows the edge of Leventhorpe School playing fields. Walk along the footpath until you see open fields ahead and to your left, continue along

the path, down the slope and follow the path until it takes a sharp turn to the right. Follow the waymarked path through a wooded area, cross the wooden bridge and go straight through the gap, turn left doubling back on yourself, and go along the track with the wood to your left. Keep going along the track until you come to West Rd, turn right and cross over into the small park on your left. Go through the park and bear right at the park exit, follow the road until you reach a narrow footpath on your left, head up the path. This brings you out on Sayesbury Avenue. Go up the hill past Gilders and Sayesbury Rd and through the footpath at the end of Sayesbury Avenue. Turn right out of the footpath onto the main road, London Road, cross over at the pedestrian lights and turn left into Bell St. Walk along Bell St until you return to the car park.
