All comments will be shared with East Herts Council &
Hertford Town Council.

Hertford

Town Centre Urban Design Strategy

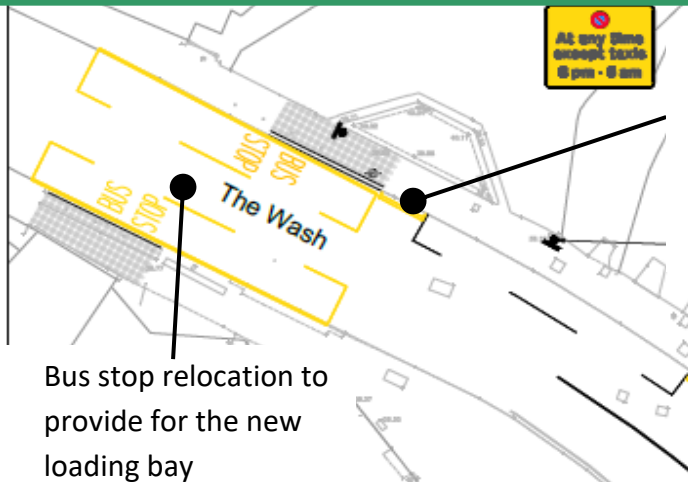

Construction begins 17 Sept 2018

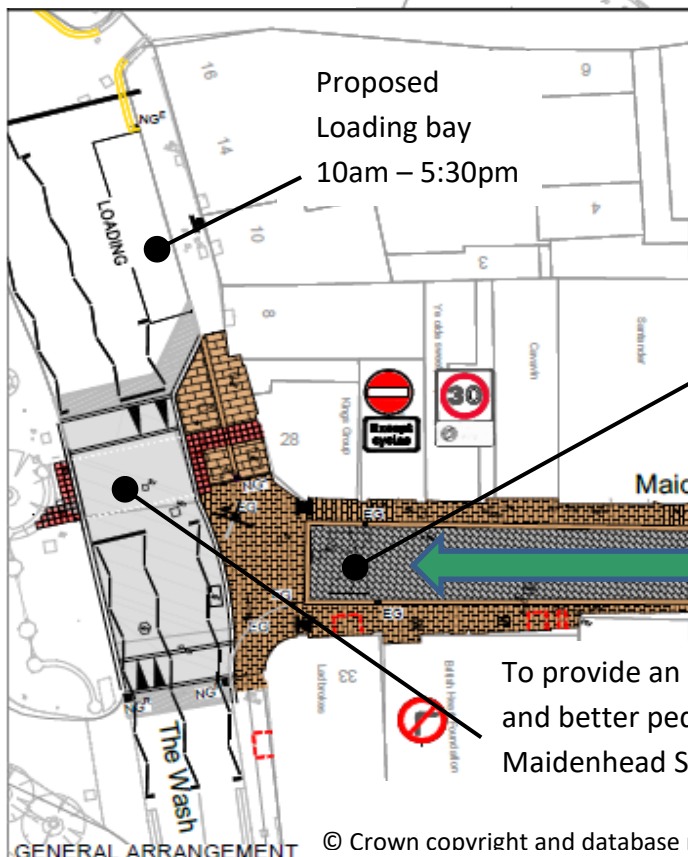

During construction, Road Closures will be in force with access managed by our staff on site. Please review our Information Boards regularly as these will change frequently. Contractor Compounds will be located on Bull Plain, The Wash and move through Maidenhead Street as works progress.

Road Closures and Suspension of existing Traffic Orders will be in force 17 Sept 2018

Main Works to be
completed by
December 2018

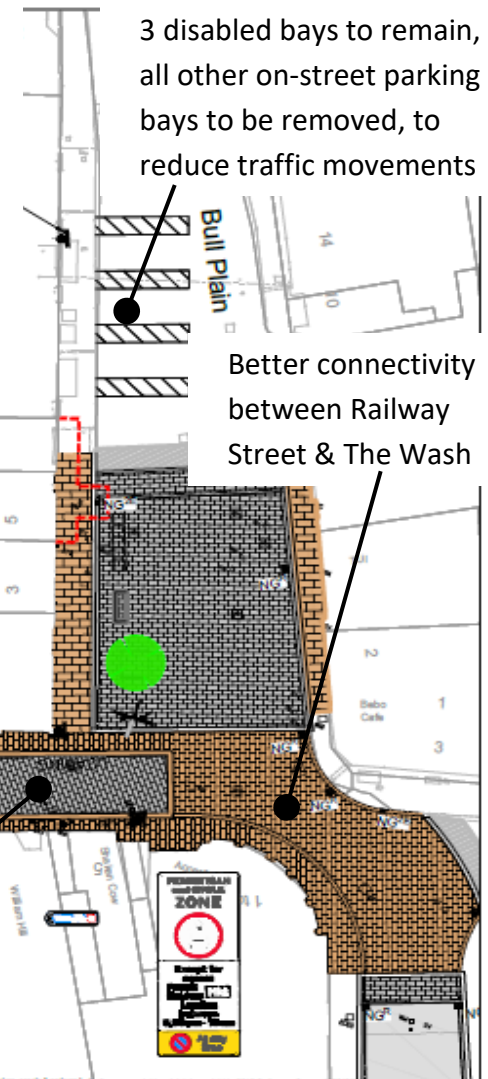

Change of taxi rank times and relocation of parking bays to accommodate the bus cage move

Pedestrian Zone to create a more pedestrian friendly environment for residents, businesses and shoppers;

- Resurface Maidenhead Street in enhanced material
- One way traffic flow direction reversed,
- No right turn on to Maidenhead Street
- Access gated 10am-5:30pm
- Reduce and improve signs and street furniture

To provide an enhanced raised crossing and better pedestrian flow between Maidenhead Street and the Castle Grounds

Proposed Loading bay during pedestrian zone operation
